

While reading "The Church Triumphant At The End of The Age" by Nate Krupp in 1988, I was challenged by the prospect of the many promises of God's Word for revival, restoration, unity, world evangelization and persecution.

Among the wealth of historical information and current global statistics, I found two lists composed by two respected men of God of recent history: one a Methodist leader, Dr. A. Skevington Wood; and the other a Baptist leader, Charles Spurgeon. Inspired by these two lists I developed a single list of 10 points, which became a foundation for a booklet entitled, "The Pearl of Revival," published in 1989. Since that time I have used this same list in many different formats.

This small booklet, "30 DAY PASSAGEWAY TO REVIVAL," is an effort to unite together in prayer as many people as possible with a focused purpose. I have come to believe that, in faithfulness to His word, the Lord shall respond to the united cry of His people with an outpouring and sovereign move of His Spirit that will historically impact our culture throughout the earth one precious soul at a time.
